

This agreement is made between:

Matrix Composite Materials Company Ltd

(Matrix) and

The Contractor

Matrix supplies the Materials. The Contractor proposes to use the Materials specified in the Schedule. Matrix will provide a guarantee to the Customer provided that the Contractor has complied with the Guide in undertaking and completing of the Works.

DEFINITIONS

Materials means Matrix Premium and Premium Zero Resin, Matrix Premium and Premium Zero Topcoat, Matrix Chopped Strand Mat, Matrix GRP Roofing Trims and Matrix approved catalysts

Guide means Matrix Guide to GRP Roofing

Works means the roofing works specified in the Schedule

Customer means the person, firm or corporation for whom the Contractor is undertaking the Works

Guarantee means a guarantee by Matrix addressed to the Customer to replace the Materials in the event of any defect being found therein within 20 years of its use in the Works

Warranty means a 20 year warranty given by the Contractor to the Customer in respect of the Works

OPERATIVE PROVISIONS

A In consideration of Matrix providing the guarantee, the contractor hereby warrants that:

He/she is competent to carry out the Works;

The materials have been laid with due care and attention, and in strict accordance with the guide;

He/she is exclusively responsible for the application of the works;

He/she has issued and will support the warranty;

The resins were within the expiry date shown on the containers

The customer has paid for the works in full

B Matrix covenants to provide the guarantee on satisfaction that the works have been completed in accordance with the guide.

C Matrix reserves the right to withhold the Warranty under the following circumstances:

(i) Should it come to the notice of Matrix that monies are owed to Matrix by the Contractor beyond the agreed period of credit;

(ii) That the contractor has failed to apply the Materials in accordance with the guide.
